A close-up photograph of a woman's face and neck, smiling. She is wearing several pieces of turquoise jewelry: a necklace with multiple strands of silver-toned chains and turquoise pendants of various shapes (round, oval, and a large circular one); a pair of earrings with turquoise stones; and a ring with a turquoise stone on her finger. She is wearing a patterned top with green, white, and brown floral designs. The text "Turquoise Jewelry." is overlaid in the center in a white, bold, sans-serif font, with the words "Turquoise" and "Jewelry" underlined.
