There is an interesting and sad story behind our escort agency. Mahi escort agency is started by a girl whose name is Mahi. Mahi is a graceful young girl who loves to build physical relationships with different men. She starts exploring sex life back in her school days. She had sex with different guys in public places. Even she did sex with strangers too. As a result, she becomes a sex addict. Her parents expelled her from the house when they came to know about her sex addictions. Mahi suffered in her life because of her sexual relations with different men. Compulsion she had to do prostitution to survive but later some other innocent girls join her for the same reasons. After few years gradually Mahi started her own [escort agency in Jaipur](#). Currently, Mahi is living a pleasing life but she is still doing sex work for their regular clients in our escort agency.

There is good news for every person you can still book Mahi for copulation service because she said she still wants to do sex work for people and her loved ones. She has an erotic figure with a perfect ratio of waist and hips. Even though she is living on her own she completed her studies. She is an educated and smart girl with perfect curves. Her eyes are deep and little green in color. Not even Mahi you can meet many other female escorts in Jaipur for your pleasure.
