

Best fantasy app in India | Exchange22

At the point when India won the debut ICC World Twenty20 Title in 2008, While the nation was all the while staggering from the awe-inspiring brilliance of the game's most limited design, the Leading group of Control for Cricket in India (BCCI) sent off the Indian Head Association (IPL). Following eleven years, the IPL has developed to turn into the world's second-biggest yearly cricket occasion, following just the Cricket World Cups.

The advertisement is a promotional graphic for the Exchange22 fantasy cricket app. It features a central graphic with a yellow and green background. On the left, a batsman in green gear is shown in a batting stance, holding a bat. On the right, a bowler in yellow and red gear is shown in a bowling action. The text 'BE READY With YOUR PHONE' is prominently displayed in a white banner with green and yellow accents. Below this, the slogan 'Ab Khel Bhi Aur Trade Bhi' is written in green. A central button contains the words 'BUY' and 'SELL' in white on a green background. At the bottom, a white box says 'Get The App At EXCHANGE22.COM'. The Exchange22 logo is in the top left corner. A small disclaimer at the very bottom reads: 'This Game Involves An Element Of Financial Risk And May Be Addictive. Please Play Responsibly And At Your Own Risk. *T&C* Apply'.

In this new era of franchise cricket, the Indian national team was able to reestablish itself as one of the world's top cricketing nations (not that it never was). As a result, fantasy leagues—which are worth \$15 billion globally and growing—were born.

Over the last four years, a flood of new players has entered the market with their cricket fantasy apps; and India's number is rapidly increasing. Exchange22 is [Best fantasy app in India](#) and it offers exceptional value to fans.
