Happy Stories

I have been to Dermatrichs for hair fall treatment. I received one of the best treatments and medicines to improve my hair density from the best skin doctor in Kanpur. If you haven't achieved the expected results from other dermatologists in the past, I highly recommend getting a consultation from Dermatrichs.

Sachin Yadav

Improved Hair Density and Hair Fall Treatment

I had been struggling with dull and ageing skin for quite some time, but after visiting Dermatrichs, near me in Kanpur, my skin received a new lease on life. The personalised treatment plan and advanced procedures provided by their expert dermatologists worked wonders. My skin now has a youthful glow, and I couldn't be happier with the results. Dermatrichs is truly a trusted name for exceptional skincare.

World Vitiligo Day

25 June, 2023.

Vitiligo is an immune cell mediated destruction of melanocytes leading to development of hypopigmented or depigmented lesions over skin. Other than this there is hardly any other abnormality in those affected. Its not associated with any dietary habit and it definitely does not spread by touching or cohabitation.

There are multiple treatment options for almost all types of vitiligo and for those not responding to medications we have phototherapy units and surgical options like punch grafting, blister grafting, NC melanocyte transplantation & skin grafting.
