Our Work Portfolio

What makes us the perfect choice for you exhibition stand builders in Barcelona?

An important aspect of our service is the attention we pay to every detail. No matter the type of business you run, we understand that your need for a stand is of utmost importance to you. That's what we fathom too, and with that, we perform our tasks diligently. When you make us your **exhibition stand builder** in Barcelona, we ensure that you get every solution for all your needs.

Messe Masters as a one-stop solution

Our claim of being the best **exhibition stand contractors** in Barcelona stands on the foundation laid down by our professionalism and passion. The passion of designing highly-stylish and functioning booths, keeps our clients happy and makes them competitive in the exhibition they participate. We always pay attention to what's trending in the market, and deliver exactly what the clients have been looking for. And with the thought of saving them their additional cost, we decided to raise the bar in all the services that we offer.

A myriad of exhibition services that adds to the clients' convenience

Ours is a company that excels at offering an array of exhibition services to its clients, without compromising the quality, or missing out on the deadlines. We value the trust that our clients have put on us, and that's what makes us value our time more than anything. Our team of excelled booth designers has maintained its track record of playing the top game while delivering booth services. And that's the reason why our clients have benefitted from them too.

Booth installation

When we've delivered your booth, you can opt for installation services which will help you in saving your time while in the show. Not only that, but it'll also help you in maintaining your presence in front of the audience. MM has a dedicated team that helps you by saving this physically demanding task, so that you don't have to, and you can take a step back to focus on other things.

Dismantling services

When the exhibition is over, and you want to move the stand out, our team is there to assist you. We take care of booth by taking it out, so that you don't have to take any stress about any valuable item on your booth. Therefore, with us taking care of moving out your stand, you can also rely on us for reassembly if required.

Shipping services

Our expertise in shipping your booth is both unmatched and highly significant for your participation because it lets you enjoy the advantage of having a team of trained personnel handle your stand. This reduces the risk of you having a damaged stand. But even if you have some stress regarding it, the fact that we take all the accountability to ship your stand wherever you want, makes you less stressed.

Storage services

Many a times you'll want that you want to store the stand you have for another exhibition that's not happening till a few months later. This is where our storage services can be of help to you. When we offer you the freedom to store your stand, you save money, but mostly you save the time of choosing a booth to begin with. It doesn't matter if you rent it or ask us to design a new one, you will have to give a lot of your time out it. And our storage service eradicates all that.

Choose the stand that suits you best

Another important factor that makes us all the more distinctive from others, is the fact that you get to choose the type of stand you like, right from the type of it, till the last customization you want. That said, when you have a say in the type of service that you want, you are always confident about the end product that you get. Speaking of, below are the types of stand you can choose from:

Custom stands

These are the stands that you can always make customizations according to your brand needs, what your target audience needs, or even to align with the theme of the exhibition.

Modular stands

These stands are constructed with pre-engineered components that when assembled together, give you an astounding stand that suits your brand. These stands are highly flexible so as to fit all the needs you have.

Country pavilion stands

When you get to have these stands, it reflects the fact that you require something to represent your culture and to have ample space for meeting your clients and audience. Our team delivers you the best country pavilion stand you'll get.
