# Why should use JODOGO Airport Assistance?

- Avoid long lines and save time
- Have a stress-free travel experience
- Get personalized attention
- Enjoy a variety of services
- Benefit from competitive rates
- Experience a smooth and efficient airport experience
- Feel confident and secure
- Relax and enjoy your trip

# Safety Assistant

Airlines do not offer in-flight assistance with any medical services, assistance inside the lavatory, or in actual feeding for passengers with disability. Our safety assistant can take care of all those needs and more. The primary role of the personal safety assistant is to assist a disabled customer exiting the aircraft in case of an emergency evacuation or to establish communication for the required safety briefing, and assist with the medical, feeding and lavatory needs of a disabled customer.

---

# Mobility & Health Related Service

- Wheelchair assistance
  - Medical oxygen Airport Assistance
  - Seating accommodations Airport Assistance
  - Cognitive and developmental assistance
  - Assistance for deaf or hard of hearing
  - Assistance for blind or low vision
-
